Sponsor Guide

The McMinnville Scottish Festival is an event held annually as a way of celebrating Scottish and Celtic culture, especially that of the Scottish Highlands

Certain aspects of the games are so well known as to have become emblematic of Scotland, such as the bagpipes, the kilt, and the heavy events, especially the caber toss.

While centered on competitions in Scottish heavy athletics, piping and drumming, the games also include scotch tasting, craft beverages, dancing, entertainment and exhibits and competitions related to other aspects of Scottish and Gaelic culture.

The past McMinnville Scottish Festival & Highland Games have been considered a resounding success from our attendees, athletes, vendors, sponsors, and the multiple teams that help make it a can't-miss event.

As planning gets underway, we are excited to set the groundwork for our next festival and games, and are confident it will be even more impactful in creating a fun, unforgettable experience for all who attend!

Some of our past accomplishments include:

- Over 6000 people in attendance**
- Providing big name Celtic entertainers from across the US**
- 30+ Clans represented**
- 100+ athletes in competition**
- ScotDance USA-approved Highland Dance Competition**
- Multiple front-page news releases from local and regional news outlets**
- Explosive social media success resulting in large percentage of tickets for event being purchased in advance**
- Merchandise and Food Vendor success and reported "selling out" and request for invitation year after year**

Celtic Heritage Alliance Board

Celtic Heritage Alliance, a 501 (c)(3) organization, continues its mission as a non-profit to promote and preserve Celtic culture and heritage. Through our creation and development of Celtic cultural events, activities, and programs that facilitate education through workshops, musical performances and traditional athletics, music and dance competitions, we continue to bring Celtic history and heritage to visitors and residents of the Pacific Northwest.

In June 2018, organizers of this group successfully brought the Newport Celtic Festival & Highland Games to McMinnville, Oregon which has brought together thousands of people to celebrate the seven Celtic Nations of Brittany, Cornwall, Galicia, Ireland, Isle of Man, Scotland and Wales.

It was brought to life through the dedication of our incredible sponsors, teams of local volunteers, and strong community support, whose common bond is a desire to share in their Celtic culture.
